

HIGHER EDUCATION SCIENCE AND TECHNOLOGY

Internship Logbook

Student Name: Sserumaga John Baptist

Month: June

Target	Achievements	Challenges	Lessons Learnt
WEEK ONE: <ul style="list-style-type: none">• Introduction to machinery, involving knowing each part and its use.• Learning about fabric	<ul style="list-style-type: none">• I have achieved to learn many machine operations, and I have worked to the time given by my supervisor• I can now differentiate between different fabrics	<ul style="list-style-type: none">• Exposure to many different machines that I don't have experience with.• A lot of work load each day there is a little time to rest.• Time management has been a very big problem to me.	<ul style="list-style-type: none">• For this week it has been a big challenge to me but I have learnt time management, running different machines and how to service them.

<p>specification.</p> <ul style="list-style-type: none"> • Knowing raw materials that make different fabrics. • Going through machine maintenance 	<p>and to make them.</p> <ul style="list-style-type: none"> • Maintenance analysis is well exercised and I have mastered it. 	<ul style="list-style-type: none"> • Lifting heavy machines. 	
<p>WEEK TWO:</p> <ul style="list-style-type: none"> • Providing a safe workplace and promote healthy work habits. • Going through performance protocols 	<ul style="list-style-type: none"> • Improvement in my safety knowledge. • Managing deadline at work has improved. • I have acquired quality assurance and making products to the standards 	<ul style="list-style-type: none"> • Only checking for quality of the fabric was the problem for this week. 	<ul style="list-style-type: none"> • Still I have put much more emphasis on time management. • I have learnt the required standards of government on fabric making. • I have learnt checking the quality of the final product for the end user.

<ul style="list-style-type: none"> • How to meet government textile regulations and standards. • Checking quality of the products. 	<p>of the government.</p> <ul style="list-style-type: none"> • I have not got any accident this week 		<ul style="list-style-type: none"> • I have learnt to be protective when operating machines and always to put on my safety gears.
<p>WEEK THREE:</p> <ul style="list-style-type: none"> • Provide engineering expertise and industry knowledge of products developed. • Maintaining a 	<ul style="list-style-type: none"> • I have acquired Industrial knowledge and how work protocols are followed. 	<ul style="list-style-type: none"> • I lacked a lot of knowledge about all the targets this week. • Poor decision making toward the planning for product strategic goals. • Lack of managerial skills. 	<ul style="list-style-type: none"> • Industrial knowledge has improved. • Making strategic plans in production of fabrics. • Managerial skills have improved.

<p>working knowledge of government labeling requirements.</p> <ul style="list-style-type: none">• Product strategy.• Provide efficient and effective development of fabric technical specifications.	<ul style="list-style-type: none">• I have learnt government labeling requirements and more knowledge on the strategy of the company towards this fabric making.		

<p>WEEK FOUR:</p> <ul style="list-style-type: none"> • Research and develop innovative new fabrics that deliver at a low cost. • Provide vendor with thorough and accurate feedback on evaluation of product samples. • Looking at the effects of a textile company 	<ul style="list-style-type: none"> • This is in processes but I'm very sure to make something of good quality. • Product evaluation has been practiced and well practiced. • The textile company is of little effect to the environment but still we have come up with water treatment methods and water recycling that we don't affect the environment 	<ul style="list-style-type: none"> • I have not fulfilled my first target in time. • Lack of knowledge on fabrics evaluation • The manufacturing skills • Healthcare costs • Product development 	<ul style="list-style-type: none"> • I have learnt good profession skills • Operating machines with minimum supervision • Working In team work with my fellow workers • Meeting targets • I have also acquired business ideas
---	--	---	--

<p>to the environment.</p> <ul style="list-style-type: none"> Enhance professional awareness and communication skills. 	<ul style="list-style-type: none"> I have managed to work in a team of many people so my communication skills and professional have improved. 		
---	--	--	--

Supervisors

Comment: He has been supportive and hard working - keep
 it up-
